Les Limites résultent de l'état des lieux  
et de l'application du plan cadastral.  
Elles ne seront définitives qu'après bornage

NOTA : Ce plan est indépendant des servitudes publiques ou privées  
qui peuvent éventuellement grever la propriété.

NOTA : Système de coordonnées Lambert RGF 93 - CC 43  
Nivellement rattaché au NGF - GPS

NOTA : la limite entre les points A et B est définie par le plan de bornage établi  
le 24-10-2005 par le Cabinet CHAPUIS Géomètre Expert à LUNEL  
Réf : 8262

Les limites et les surfaces ne seront  
définitives qu'après bornage définitif.
